Overarching Goals for RRRISE In-Person Gathering:

1. Foster better connection and collaboration across the region, raise awareness of different initiatives, and sow seeds for partnership on project development with lots of unstructured networking time.
2. Collectively identify and develop action-oriented sector and cross-cutting strategies that lay the groundwork to bring in and guide resources in our region.
3. Regional project workshopping.

Please note: We'll be providing snacks and beverages throughout the event, and meals are included. Please find more information on accommodations, travel, and child care cost reimbursements on our RSVP Form.
