Latino Population, 2000 Percent by Census Tract

Data Source: CCRP Latino Project, 2006-7\*; U.S. Census Bureau SF1, 2000.

Frequency = Number of times a particular location was mentioned.

Note: Informants could name multiple geographic locations. The qualitative analysis sought to identify multiple themes and codes for each question asked. Therefore, the number of codes does not reflect the number of people interviewed, but rather the range of responses provided for each question.

Participants included individuals who work closely with the Latino community, health providers who serve Latinos, and Latino community leaders throughout the Mendocino (N=20), Trinity County was not included in this study due to the small percentage of Latinos living in the county (4.0 % of tot. pop.).
